

WILEY X SLAY RADIATION GLASSES

MODEL RG-ACSLA

RG-ACSLA01F
(Matte Black)

RG-ACSLA04F
(Gloss Black)

DESCRIPTION

The Wiley X Slay is a sleek, wraparound frame with large lenses for superior coverage. Its rubberized temple arms make for a secure fit. This product offers our standard high quality, distortion-free SF-6 Schott Glass Radiation-reducing lenses with .75mm lead equivalency. The Model RG-ACSLA fits best for Medium head sizes.

FEATURES

- *0.75mm Lead Equivalency Schott SF6 Radiation Protective Lenses*
