

# RADIATION GOGGLES & FACESHIELDS

## MODEL RG-RK2

RG-RK2

### DESCRIPTION

Phillips Model RK2 radiation protective goggles feature vented side ports to reduce fogging and neoprene foam that protects against splashing and sweat. The flame-resistant elastic headband is adjustable, making for a comfortable fit, while the large lens pocket allows for a maximal viewing area. This product offers our standard high quality, distortion-free SF-6 Schott glass radiation-reducing lenses with .75mm lead equivalency. The Model RK2 fits best for Medium to Large style heads.
