

WRAPAROUND RADIATION GLASSES

MODEL RG-TP280-BKCA

RG-TP280-BKCA
(Black Camouflage)

DESCRIPTION

Phillips TP280-BKCA is a stylish Black exterior and Camo interior colored safety frame made out of TR-90 Nylon. The rubber nosepiece and non slip grip on the arm of the frame allow for a comfortable and secure fit to your head. This frame also has a built in side shield for added protection to your eyes. This product offers our standard high quality, distortion-free SF-6 Schott glass, radiation-reducing lenses with .75mm lead equivalency. Model TP280 fits best for Large style heads.

FEATURES

- *Rubber nosepiece and non slip grip on the arm for a comfortable and secure fit.*
- *Built in side shield for added protection*
- *0.75mm Lead Equivalency Schott SF6 Radiation Protective Lenses*
