

MODEL 17004 PLASTIC GLASSWORKING SAFETY GLASSES

MODEL GB-17004

Phillips 202 (ACE) - GB-P2-17004

DESCRIPTION

The 17004 is a classic flip-up style that offers versatility for a variety of environments. This flip-up is perfect for welders and industrial workers who require a shaded lens while working with high intensity light sources and a traditional clear impact-resistant polycarbonate lens when their task is complete. The 17004 offers adjustable temple bars that extend and pivot up and down allowing greater comfort for longer wearing time.
